An anonymous donor has offered to match all contributions up to \$17,500. This gives us an opportunity to raise an unprecedented amount of money for our annual campaign, all of it powered by individual donors like you.

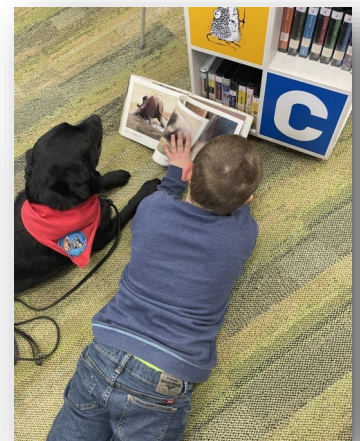

Just think of what we can do with this funding to provide superior service to our community.

Please consider making a tax-deductible contribution today.

Donations can be made by check made out to Greenwich Free Library or via our website.

With gratitude,
